

The Tobacco Fair!

VISITORS, WELCOME!

May Your Sojourn Within Maysville's Gates Be Pleasant.

AUSPICIOUS BEGINNING OF THE FAIR.

Today, the time set for the fourth annual mid-winter Tobacco Fair, promises to be one of the most notable in the history of Maysville.

Already the city is being crowded with visitors from all the surrounding counties, as well as far-away cities, and to each and every one the citizens extend a royal welcome.

The Cincinnati Business Men's Club will come up over the C. and O. at 1:30 p. m., and it is especially urged that a large delegation be at the Depot when the train arrives.

The samples of tobacco, corn, wheat and potatoes at the Courthouse, after their proper classification and awarding of the premiums, will be ready for public inspection at 1 o'clock and throughout the balance of the afternoon. To those interested in the growing of these products the exhibits will prove of much interest.

During the forenoon, however, beginning at 10:30 o'clock, a concert is in progress at the Opera-house.

For this afternoon at Washington Opera-house, beginning at 1 o'clock, the program will be—

Afternoon.

1 o'clock, assemble at Opera-house. Music by Maysville Orchestra. Invocation. Welcome, Judge Thomas R. Phister. Music.

Sale of the John Worick farm and personality has been postponed till February 28th, commencing at 1 o'clock p. m.

The health authorities of Wayne Township have burned the house in North Liberty, O., occupied by Jim Romine, who recently died of black small-pox. Romine's family have come to this city, their old home.

Catarth Cannot Be Cured With local applications, as they cannot reach the seat of the disease. Catarth is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarth Cure is taken internally and acts directly on the blood and mucous surfaces. Hall's Catarth Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarth. Send for testimonials free.

The Queen City was not seriously damaged by being blown into the bank at Paducah. She is now below Memphis.

Captain Jacob Menges died at his home at Pittsburgh Thursday. He was 68 years old, and was the father of Captain Charles Menges of Cincinnati.

A new ruling of the Secretary of War prohibits anything but a single name to be given steamboats being rebuilt and renamed. Therefore, the Barrett Line's immense towboat now on the ways at Mound City will be named Barrett, not Oscar F. Barrett, as has been stated.

Captain Sam Bryant of the Robert E. Lee is on a visit to his family in Covington, and will take a good rest. He is in command of the Lee in the Memphis and Ashport trade, and was for years a popular Captain in the Louisville and Cincinnati trade. The Easy Pill.

DeWitt's Little Early Risers do not gripe nor weaken the system. They cure biliousness, jaundice, constipation and inactive livers by arousing the secretions, moving the bowels gently yet effectually, and giving such tone and strength to the glands of the stomach, liver and bowels that the cause of the trouble is removed entirely. These famous little pills exert a decided tonic effect upon the organs involved, and if their use is continued for a few days there will be no return of the trouble. J. Jas. Wood & Son.

THE BEE HIVE! The Real Thing Now

Let's welcome the cold wave and the snow. The cold weather purifies the air and makes healthful conditions; it freezes small streams and stops the river from rising. And the snow, the beautiful snow, fertilizes the ground and makes good sleighing. Sleighting is good for you as well as the livery stables. During the day be out in the air; it's very invigorating. Good, cold, fresh air never made any one sick. It's the cold nights that destroy your health. KEEP WARM AT NIGHTS, for that is the thermometer of health.

Honduras is enjoying the sweets of a revolution because of 40,000 too many ballots cast at its Presidential election. There is a Democratic statesman in Missouri who needs no one to show him how to fix up an election. Oliver

Gave to the world the Chilled Plow. The magical word Oliver is a guarantee of quality.

Mr. Oliver still controls the chilling process that has made the Oliver Plows so famous. Every genuine Oliver Plow Point or other repair has Mr. Oliver's name stamped upon it, and this name certifies that that piece is double chilled and will scour free and last

almost twice as long as a part chilled in the imitation way. Notice one peculiarity of an Oliver Plow: Note this well, for it means much to you—An Oliver Point also includes the Cutter. When you put on an Oliver Point you have an entire new cutting surface; you virtually have a new plow. Upon other plows the point and cutter are separate, and you have to buy two parts at double the expense to secure a new cutting surface. Remember this, please: Oliver parts all fit nicely. An Oliver Point fits just as nice as the first one that was put on the plow. Oliver Mouldboards, Standards, Landsides all fit; your Oliver Plow works just as nicely when it is ten years old as it did the first year. We ask you to candidly say if this is the case with any other plow on earth. When you spend your money get all you can for it. The most value that a man gets in anything is an Oliver Plow. Oliver Plows are absolutely guaranteed.

"I was troubled with nervousness, sleeplessness and dizziness. I was advised to try Dr. A. W. Now I can speak very highly of these pills as a nerve tonic."

THE BIG SHOW.

The Haymakers Made a Hit at Opera-House Last Night.

Not for a long time has there been such a crowd in Washington Opera-house as was gathered there last night for the Haymakers Minstrel. "Standing Room Only" was the sign out some time before the entertainment began.

The stage setting in the first part was particularly attractive, and the vim with which all the members took their parts gave much charm to the program.

Maysville has some very fine Minstrel timber as was shown last night, and the endmen, Messrs. T. M. Russell, Frank Hauke, Fred Cablish and William F. Manzing, with Phil Barbour and Blair Tolle as stars, made much merriment by their local hits.

In soloists, too, the town is not lacking, and Messrs. Elgin Smoot, Leon Squires, Charles Slack and G. C. Sherwood filled out with credit that part of the program. Mr. W. G. Heiser made a very clever interloper.

After the first part as is usually taken up in a minstrel entertainments was finished the second part opened with a lively Dutch comedy sketch by Ernie Ort and Arthur Helmer. They carried out their characters well.

Mr. Henry W. Ray's part of Uncle Ned was well taken and his song was one of the best sung.

Al Hall's slack wire stunt, with the acrobatic work of Bruce Crawford, Charles Slack and Austin Rosenham, was splendid, the acts of the latter three being by far the best ever done by local students. They will soon be ready to start on the road, an attraction all in themselves.

While in Carlisle a few days ago Colonel John I. Winter picked up a couple of colored musical artists and at his own expense brought them here for last night's minstrel. As a whistler one of them carried off the palm, and his accompanist was a close second.

The performance concluded with a Sixth Ward quartet going through various gymnastics, musical and physical.

The success of the entertainment was unquestioned, both socially and theatrically, and for the latter much credit is due Mr. H. C. Curran, while the members of the Order worked untiringly for the former.

The receipts were \$331.75, which, after paying all expenses, leaves a nice sum for the Haymakers.

LESSON IN AMERICAN HISTORY IN PUZZLE

BEFORE THE BATTLE OF LAKE CHAMPLAIN.
Find Commodore Downie.

The destruction of the British fleet on Lake Champlain on September 11, 1814, destroyed all chance of a British invasion from Canada. The American fleet was commanded by Commodore MacDonough, and the British fleet by Commodore Downie. The American fleet was much the weaker, but MacDonough believed the American side was right, and after he had cleared his ships for action, and with his officers about him, he knelt on the deck of the Saratoga and asked God to aid him in the battle that was about to open. The American victory resulted in the hasty retreat of Gen. Prevost back to Canada.

Mother's Girl.

There exists often a very beautiful companionship between the mother and her daughter. The intimacy is frank, free and sympathetic. But some day the mother feels as if something had chilled this intimacy. The child is silent and sad, and seems to shun her mother instead of seeking her.

This change very often occurs when the young girl is crossing the border line of womanhood. She is morbid, nervous, fearful, as she enters upon this new experience.

The use of Dr. Pierce's Favorite Prescription at such a time will do more than restore the normal balance of mind and body. It will establish the womanly function upon a basis of sound health, as well as improve the appetite, nourish the nerves, and promote the general physical health.

"Two years ago my daughter's health began to fail," writes Mrs. Dan Hall, of Brohead, Green Co., Wis. "Everything that could be thought of was done to help her but it was of no use. When she began to complain she was quite stout, weighed 170—the picture of good health, until about the age of fourteen, then in six months she was so run down her weight was but 120. I felt I could not give her up as she was the only child I had, and I must say, Doctor, that only for your 'Favorite Prescription' my daughter would have been in her grave to-day. When she had taken one-half bottle the natural function was established and we bought another one, making only two bottles in all, and she completely recovered. Since then she is as well as can be."

The Common Sense Medical Adviser, 1008 pages, in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Ex Gov. Atkinson of West Virginia Says

I have used a number of bottles of "KODOL," and have found it to be a very effective and, indeed, very powerful remedy for stomach ailments.

I do not hesitate to recommend it to all persons who have weak digestive organs.

G. W. Atkinson

Ex-Governor West Virginia.

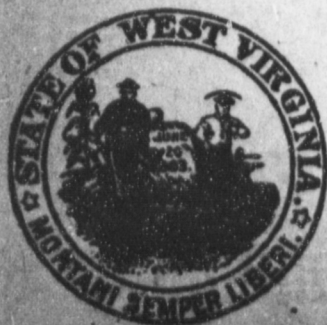

No man is stronger than his stomach. A weak stomach weakens the man because it cannot transform the food into nourishment. A weak stomach cannot digest enough food to keep up the strength. Kodol Dyspepsia Cure makes the man strong by making the stomach well.

Nine of every ten persons who are sick, pale or weak need a pure, clean, sweet, healthy stomach. Kodol cures indigestion, dyspepsia, sour stomach, tired stomach, weak stomach, windy stomach, puffed stomach, nervous stomach and Catarrh of the Stomach, by digesting what you eat, while the inflamed membranes of the stomach are allowed to rest and heal. It restores health to the stomach and strength to the body by enabling the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. Kodol gives health to the sick and strength to the weak.

Kodol Digests What You Eat—Makes the Stomach Sweet

Bottles only. Regular Size, \$1.00, holding 2½ times as much as the trial size which sells for 50 cents.

Disfiguring and Troublesome Skin Diseases Easily Banished By

Paine's Celery Compound

A Marvelous Cure After the Failures of Ten Doctors.

Skin diseases are very common with old and young, and some forms are exceedingly troublesome, and cause serious disfigurement of the face and complexion. Eczema, salt rheum, scrofula, shingles, ringworm, boils, pimples, itch, and a score of other disagreeable troubles, result from sluggish, impure, and poisoned blood. If you truly desire to get rid of such evils, do not resort to outward treatment or applications. Common sense and the experience of your friends will at once suggest a blood purifier and system renovator like Paine's Celery Compound. This marvelous cleanser soon multiplies the number of vital red corpuscles, and fills the arteries with a health stream that produces clean, solid flesh, and firm, well-braced nerves. Mrs. L. S. Bailey, West Potsdam, N. Y., writes thus:

"I had small blotches break out on my head, and in a short time my whole body was covered. The doctors called it scrofula. I have had as many as ten doctors treat me, but none seemed to help me. At night time my whole body would itch so that I would have to walk the floor nearly all night. I have taken all kinds of sarsaparillas, and used soaps and ointments without effect. I read in a paper of Paine's Celery Compound, and I could not rest until I gave it a trial. I am now on my fifth bottle and consider Paine's Celery Compound miraculous in its effects. I am completely cured with the exception of one spot on my arm, which is fast going away. I wish all who suffer to give this wonderful medicine a trial."

MRS. IDA McDONALD,

Supreme Deputy of the Maccabees of the World.

MRS. McDONALD, No. 477 Beaubien Street, Detroit, Mich., is a prominent woman who was greatly benefited by the great woman's medicine, Wine of Cardui. Mrs. McDonald is the supreme deputy of the Maccabees of the World, and one of the most widely known women in the United States. Thousands of women gather to hear her lecture everywhere she goes. The great work she has done for the Maccabees is appreciated by every member of the order. She was so absorbed in her work that she neglected to give her health proper care—failed to take warning that the symptoms of approaching kidney trouble gave her, the shallow complexion and torpid liver. But Wine of Cardui cured her the same as it has cured thousands of others and Mrs. McDonald has written this letter in order that other suffering women may secure from Wine of Cardui the same relief she got from it.

"For four years I suffered with torpid liver until my skin looked yellow and dull. I then found my kidneys were affected and had severe pains across my back, and I felt

Mrs. Ida McDonald.

that I must do something to regain my health. A friend advocated your Wine of Cardui treatment so strongly that I decided to try it, although I had little faith in patent medicines. I am now very thankful that I did so, for within ten days blessed relief came to me, and in less than three months I was cured, and have enjoyed fine health ever since. I know there is nothing better for a sick woman who wishes to enjoy perfect health and am very pleased to give my hearty endorsement."

No suffering woman can afford to ignore such a letter as Mrs. McDonald writes. Her plans and advice have proved valuable in building up one of the greatest women's organizations in the United States and she takes time to give advice which she knows will help you.

Do not delay in securing this medicine. There is nothing to gain and everything to lose by delay. The choice is before you. Will or will you not secure relief now by taking Wine of Cardui? All druggists sell \$1.00 bottles of Wine of Cardui as well as 25c packages of Theodora's Black-Draught.

A million suffering women have found relief in Wine of Cardui.
